

## **SPECTATOR CODE OF CONDUCT**

**GJGT appreciates the support provided by parents, family members, friends and other spectators who attend its golf tournaments.**

**In order to be able to run the tournaments in the most effective manner possible and to provide enjoyment for everyone involved, it is important for all non-players to be aware of and abide by the following guidelines throughout the tournament:**

- **Please remain either on the cart paths or in the rough and at least 20 yards away from those playing in the event.**
- **Do not walk on the fairways.**
- **Please do not give advice to a player during his or her round. Players could be penalized for interaction with parents/spectator.**
- **Spectators may help look for lost balls, be a spotter and approach the green to watch when players are putting. They may provide drinks or food but may not offer any other assistance.**
- **Spectators need to be aware of other players on the course and not lag behind which may prevent the next group from playing their shots.**
- **Please allow the Rules Officials to make their rulings without any interruption. If a Rules Official requires your input, he or she will approach you. Spectators are not allowed to make any rulings or offer advice about rules.**
- **Please turn off cell phones while on the golf course.**

**Please respect the host facility's policy regarding the use of cell phones indoors, dress code.**

**Thank you for your consideration,**
