Information about other golf tournaments

For more information about other opportunities to play tournament golf, the Florida State Golf Association web site: **FSGA.org** contains information about the USGA & FSGA tournaments and has a listing and contact information about most junior programs in Florida.

Code of Ethics

USGA Rules of Golf will govern play at all times. A complimentary copy of the Rules of Golf Book is part of the membership packet. All members are encouraged to familiarize themselves with the rules and carry the book with them at all times.

All players should conduct themselves properly at all times while at a tournament site. Remember, we are guests of the various courses and the Gainesville Junior Tour needs courses more than the courses need the GJGT. Please behave accordingly.

Golf etiquette is a very important consideration, and members are expected to behave in accordance with the rules prescribed by the GJGT. Players must be careful not to damage the course or greens when putting down golf bags, handling the flag stick or with shoes or clubs. Players are responsible for repairing their ball marks and raking bunkers.

PACE OF PLAY: USGA Rules will govern Pace of Play. A group falling behind the group in front and behind the posted time schedule will be subject to penalties.

STARTING TIMES: Players must check in at least a half-hour before their starting time and must be on the tee 10 minutes before their starting time. Players will NOT be called to the tee. Late players will be penalized two strokes for being late. Place an identifying mark on your golf ball(s) before coming to each tournament.

Rules for Parents

Parents may rent a golf cart from the host facility (rates may vary). Parents of the 8-9 year old group will be provided a free cart and may act as caddies for their children. At least one parent in the group should be the marker for the group. Parents of some older age groups may be asked, by the tournament director, to assist in scorekeeping. Parents may not come within 50 feet of a player age 12 or over. Parents are not allowed to give any advice. Parents found to be giving advice will result in a two stroke penalty for their child. The prompt delivery and pick-up of your child is expected. We encourage all parents to assist in locating lost golf balls.

Player of the Year Points

Player of the Year Points will be based on each player's top 4 regular season tournaments. If a certain age group does not compete in 4 events then the highest number completed will count. The Tour Championship DOES NOT count towards Player of the Year points. Points will be awarded to each age group for every regular season event. Our scholarship will be awarded only to players competing in the 16-18 year old division for both boys and girls and will depend on the number of registered players.

Tournament Information

Membership in the 2019 Gainesville Junior Golf Tour is open to all junior golfers age 8 to 18 years old, through their senior year of high school, and have not attended college. The Tour not only challenges junior players to excel, it emphasizes good sportsmanship and proper golf etiquette. The goal of the Tour is to provide a positive competitive environment that enables young golfers to improve their skill levels and become better individuals.

All members are subject to suspension and/or cancellation by the committee for violation of any Gainesville Junior Golf Tour Rules and Regulations, as provided in this handbook.

All participants must complete a rules of golf test available online before the first event or directly after the first event played. Please download, complete, and bring to your first event entered. If the test is not available online, pick up at your first event.

Play is always conducted in accordance with the USGA Rules of Golf, the Gainesville Junior Golf Tour Regulations and any Local rules in the Notice to Competitors.

Pairings for each event will be posted at the host club and on the website before each event and emailed to each player.

CANCELLATION POLICY: Players unable to participate in a previously entered event must withdraw by calling Frank Anderson at 352-332-2154 or emailing fandersoniii@cox.net by Friday of the week preceding the event. **FAILURE TO DO SO WILL CAUSE THE PLAYER TO BE DROPPED FROM THE FOLLOWING WEEK'S EVENT AND ENTRY WILL NOT BE REFUNDED.** In the case of illness or other emergency occurring on the day of the event the Pro Shop must be contacted on the day of the event before scheduled tee time. Play in the next week's event will be determined on an individual basis. Entry fee for a player who withdraws properly will be credited for the next event.

A player reporting a score lower than actually made on a hole will be disqualified. A higher reported score will be the player's score for the hole. A Player should keep his own score as well as serving as a marker for another player in order to assure the accurate recording of his hole-by-hole score. Parents are not allowed to help in scoring except for the 8-9 year olds and 10-11 year olds.

RULES OF GOLF: All play will be under the Rules of Golf. Any player not playing by the Rules will be subject to penalties as stated in the Rules.
